

# RISHI SHARMA

## SOFTWARE DEVELOPER

### PROFESSIONAL SUMMARY

Versatile Software Developer with 2+ years of experience in Object Oriented Programming and software design. Self-learning professional with expertise in Data Structures & Algorithms. Talented at cultivating collaborative and supportive team environment.

### WORK HISTORY

#### DELOITTE USI | BUSINESS TECHNOLOGY ANALYST

April 2021 – Present | Gurgaon, HR

- Designed and developed batch jobs to upload excel and csv files from UI including medical and NAICS codes, improving data import time by 70%
- Worked on Guidewire platforms like Claim and Policy management systems. Was responsible for drafting design documents and enhancing several existing functionalities to accommodate client requirements.
- Developed microservices using Java in Spring boot Framework using REST API and JPA Repository. Used Postman to test the API behavior.
- Implemented GX model solution facilitating automated generation of 200+ policy and billing documents by transferring business data to content management system on specific events using Apache Kafka.
- Single-handedly set up the accelerator code for SmartComm system within the Guidewire application (which is ideally performed by SmartComm team), which helped in project's cost cutting.
- Resolved major defects/blockers helping team meet deadlines.

#### CAPGEMINI | SENIOR SOFTWARE DEVELOPER

September 2019 – April 2021 | Chennai, TN

- Worked on publishing and consuming REST APIs using Java and Spring boot as an Integration Developer in Insurance domain.
- Automated Exception Tracker: Reduced test environment exception tracking time by 83% by implementing a python-selenium based script leading to faster bug resolution.
- Agency Management System: Implemented Spring batch job that generates XML Policy reports to send over to subscribed agents.
- Underwriting Issues: Designed and tested batch processes that block policy issuance according to various underwriting rules.

### ACCOMPLISHMENTS

- Awarded Capgemini's Rising Star for H1-2020 for demonstrating strong work ethics and contributing innovative ideas.
- Led a team of 6 in the development of Quote Generation System using Java, Servlets, JDBC, HTML, CSS and Bootstrap.

### SKILLS

API Design

Java

Spring MVC, Spring Boot

Spring Batch

Microservices

Hibernate

Apache Kafka

Data Structures & Algorithms

SQL

Agile Software Development

Git, JIRA, Jenkins

### EDUCATION

#### ABES ENGINEERING COLLEGE

##### BACHELOR OF TECHNOLOGY

Focused in Electronics and Communication Engineering

Graduated June 2019 | CGPA: 8.04

#### DEHRADUN PUBLIC SCHOOL

##### SENIOR SECONDARY

June 2015 | SCORE: 85%

### CERTIFICATIONS

Oracle Certified Associate, Java SE 8 Programmer

GI&A Automation Academy  
Certified Automation Engineer  
Practitioner
